

Diversity, Equity, and Inclusion Scholarship

Scholarship Purpose and Description:

The Trauma Center Trauma-Sensitive Yoga (TCTSY) Certification Program is deeply committed to advancing diversity, equity, and inclusion. The program is dedicated to eliminating some of the disparities that have prevented historically diverse social groups from gaining access to opportunities such as TCTSY certification and TCTSY intervention. After reviewing the group of current facilitators, as well as the individuals those facilitators serve, TCTSY plans to move toward sharing the intervention with these identified un-served or underserved communities and populations.

The Diversity, Equity, and Inclusion Scholarship was developed in order to begin increasing the number of historically marginalized TCTSY certified facilitators and consumers, specifically those who are currently underrepresented within the program. It is expected that the scholarship award recipients will provide TCTSY to underserved groups after certification in order to fulfill the scholarship's purpose and initiative. The Diversity, Equity, and Inclusion Scholarship will provide full tuition for TCTSY facilitator training and certification.
